

## Notice of Status

I, the living woman, Tonia-Lorraine: Gilstrap-Jones, affirm and declare that I have returned to my lawful birthright status as a Massachusettsian living in and as a National of Massachusetts state Republic.

I claim my status as stated in: **Code 8 USC 1101 definitions 21** The term "national" means a person owing permanent allegiance to a state.; and **22 (b)** The term "national of the United States" means a person who, though not a citizen of the United States, owes permanent allegiance to the United States. I'm writing this per **8 U.S. Code § 1452 (b)** A person who claims to be a national, but not a citizen, of the United States may apply to the Secretary of State for a certificate of non-citizen national status. Upon—  
**(1)** proof to the satisfaction of the Secretary of State that the applicant is a national, but not a citizen, of the United States. I was born in the Massachusetts Republic one of the states of the United States of America.

According to **UCC § 9-307. LOCATION OF DEBTOR.**

**(h) [Location of United States.]**

The United States is located in the District of Columbia.

I was not born nor do I reside in the District of Columbia and since that being so I cannot make any claim of residency or citizenship to the District of Columbia.

Also according to **28 U.S. Code § 3002 - Definitions**

**(15)"United States" means—**

**(A)** a Federal corporation;

**(B)** an agency, department, commission, board, or other entity of the United States; or

**(C)** an instrumentality of the United States.

I, the living woman, Tonia-Lorraine: Gilstrap-Jones, being duly sworn, under the penalty of perjury of the laws of the United States of America hereby declare my intention and desire as a National, with God given Constitutionally protected Rights and not a "citizen of the United States", under the scope and purview of the 14th Amendment.

Amendment XIV

Section 1.

All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the state wherein they reside. No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any state deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.

**Black Laws 4th Edition Definition of person: Corporations are "Persons" as that word is used in the first clause of the XIV Amendment; Covington & L. Turnp. Co v. Sandford, 17 S.Ct. 198, 164 U.S. 578, 41 L.Ed. 560**

**As this evidence shows that the 14th Amendment pertains to corporations. I do not fall under the jurisdiction or definition of these as I am a living woman and not a creation of the United States Federal Corporation. I am a citizen of Massachusetts a foreign state to the United States Corporation and the District of Columbia and the original state citizen as written in the Constitution.**

**Based on the above evidence I Tonia-Lorraine: Gilstrap-Jones am A State national of Massachusetts not a 14th Amendment citizen (corporation) and a non-resident alien to The United States Corporation that is located in the District of Columbia.**

This I declare and affirm under penalty of perjury under the public law of The United States of America that the  
aforementioned is true and correct.
